

A proud partner of the  american **job center** network

Elevate Your Business with Us

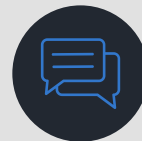

WHO WE ARE:

As a federally legislated entity, the Workforce Development Board is dedicated to providing financial assistance for businesses to enhance the skills of employees—both new and current—ensuring business growth and sustainability, while fostering job creation for area residents.

WHY CHOOSE US :

- **Mission:** WDB NNJ develops strategic workforce plans to bridge gaps between talent and opportunity in Morris, Sussex, and Warren Counties.
- **Business Support:** Helping business remain competitive, sustainable, and ready for growth.
- **Partnered Success:** Join our network of local business partners and discover ways to drive growth and community vitality.
- **Facilitates Connections:** Connecting employers, job seekers, educators, and community partners to create effective workforce solutions.

OUR SERVICES :
